Good to Great Summarized for Busy People by James C. Collins

Leaders of good-to-great companies usually set their successors up for success, while comparison companies usually did the opposite. The note about Level 5 Leaders setting their successors up for success hints at the next chapter's focus on having the right people at all levels of a company and at all times, not just during the tenures of ...

Good to Great Summarized for Busy People by Peter Cellier ...

GOOD TO GREAT THE SUMMARY IN BRIEF In his previous bestseller, Built to Last, Jim Collins explored what made great companies great and how they sustained that greatness over time. One point kept nagging him, though — great companies have, for the most part, always been great, while a vast majority of good companies remain just that: good, but ...
