In The High Yemen

Yemen is a member of the Arab League, United Nations, Non-Aligned Movement and the Organisation of Islamic Cooperation. The state is characterized as a failed state with high necessity of transformation. Yemen's constitutionally stated capital is the city of Sana'a, but the city has been under Houthi rebel control since

Yemen - Wikipedia

The Government of Yemen has made the development of education system its top priority. The share of the budget dedicated to education has remained high during the past decade, averaging between 14 and 20% of the total government expenditure and as of 2000 it is 32.8 percent. The education expenditure is 9.6 percent of GDP for the year 2001 as seen in the chart below.

Education in Yemen - Wikipedia

Still, I found this book interesting. Today Aden and Yemen are (uneasily) united, the population is quadruple what it was, the country is awash in weapons, and a water crisis looms while various factions jockey for power. IN THE HIGH YEMEN provides a look at another time, a time when Yemen's contacts with the outer world were still sporadic.

In The High Yemen: Scott: 9781138972452: Amazon.com: Books

Yemen, an arid and mostly mountainous country situated at the southwestern corner of the Arabian Peninsula. This article provides a geographical and historical treatment of Yemen, including maps, statistics, and a survey of its people, economy, and government.

If there's one word that I heard more than any other during my stay in Yemen, it is the word 'qat'. And the reason that word is so important is because, at approximately 2pm every single day, the entire nation stops everything they are doing and focuses on qat and on qat only.

Chewing Qat (aka "Getting High") In Yemen - Wandering Earl

Ahla Alayam or “Best Days” is a song produced by UNICEF Yemen in November 2019. The song is a message from the children of Yemen to the world. It is a reminder that the ‘best days’ are those lived in peace and peace is what every child in Yemen fundamentally deserves.

Yemen - Yemen - Daily life and social customs: Yemen shares in many of the customs and lifeways that are found in other parts of the Arab world. Culture is intensely patriarchal, and households usually consist of an extended family living in a single domicile or family compound. The head of the family is the eldest male, who makes all significant decisions for the family and its members. Women ...
